Dear Parents and Guardians,

Your son or daughter has elected to join the **Community Volunteer Club (CVC)** at Sullivan Heights Secondary. This is the inaugural year of the club which was created to support students and their search for community volunteer opportunities. The club meets every 2nd Wednesday from 3-3:30 in room B111. Participation will benefit the student in several ways:

- increased awareness of the importance of social responsibility;
- volunteer experience to add to their resume and scholarship applications;
- a more complete portfolio of experiences for either post-secondary applications or the work force.

Transportation will not be provided by the school, so it is important that you as the parent or guardian are aware that you will be required to provide transportation to and from any of the volunteer opportunities that your son or daughter signs up to complete.

The volunteer opportunities come to us from a variety of sources, including but not limited to: City of Surrey, YMCA, independent businesses, organizations, clubs, etc. It is important that parents be aware that there are no site visits conducted by school district employees prior to the volunteer work and that parents/guardians must use their discretion in deciding if the opportunity is appropriate for their child.

If you have further questions please feel free to contact Ms. Bourassa or Ms. Rogerson.
